

Forbes Names Bath & Body Works to List of America's Best Large Employers

February 21, 2023

COLUMBUS, Ohio, Feb. 21, 2022 – Bath & Body Works today announced that it was recognized by Forbes as one of America's best large employers. Forbes partnered with market research firm Statista to compile the list, and the ranking is based on a survey of about 45,000 workers at American companies and institutions with 5,000 or more employees.

Participants were asked if they would recommend their current employers to friends and family (on a scale of 0 to 10), and to cite any other employer they would also recommend. The final list ranks the 500 large employers that received the most recommendations.

"We're thrilled to be recognized as one of the best large employers in the country," says Bath & Body Works Chief Human Resources Officer Deon Riley. "We've worked hard to create a culture where everyone belongs, and we will continue taking strides to make Bath & Body Works a great place to work."
